

Tommie Sunshine's Megasix Smash-up

Katy Perry

Greetings loved ones, let's take a journey (yeah)

The o-o-o-o-o-one (uh)

Baby you're a

California gurls

Let's go all the way tonight

No regrets, just love

We can dance until we die

You and I, we'll be young forever

You make me

Feel like I'm living a

Teenage dream

The way you turn me on

I can't sleep

Let's run away and

Don't ever look back,

Don't ever look back.

My heart stops

When you look at me

Just one touch

Now, baby I believe

This is real

So take a chance and

Don't ever look back,

Don't ever look back.

I'mma get your heart racing

In my skin tight jeans

Be your teenage dream tonight

Let you put your hands on me

In my skin tight jeans

Be your teenage dream tonight (tonight)

(youuuuuuuuuu)

I know a place where the grass is really greener

Warm, wet and wild,

there must be something in the water

Sipping gin and juice,

laying underneath the palm trees

The boys break their necks

trying to creep a little sneak peek at us

You could travel the world

But nothing comes close to the golden coast
Once you party with us,
you'll be falling in love
Oh, oh, oh, oh, oh, oh
California girls, we're unforgettable
Daisy Dukes, bikinis on top
Sun-kissed skin, so hot will melt your popsicle
Oh, oh, oh, oh, oh, oh
California girls, we're undeniable
Fine, fresh, fierce, we got it on lock
West coast represent, now put your hands up
Oh, oh, oh
in another life
I would be your girl
We keep'd our promises
Be us against the world
And in another life
I would make you stay
So I don't have to say
You were the one that got away
The o-o-o-o-o-one [x3]
I would make you stay
So I don't have to say
You were the one that got away
There's a stranger in my bed,
There's a pounding my head
Glitter all over the room
Pink flamingos in the pool
I smell like a minibar
DJ's passed out in the yard
Barbie's on the barbeque
There's a hickie or a bruise

Pictures of last night
Eended up online
I'm screwed
Oh well
It's a black top blur
But I'm pretty sure it ruled (damn)
Last Friday night
Yeah we danced on tabletops
And we took too many shots
Think we kissed but I forgot
Last Friday night
Yeah we maxed our credit cards

And got kicked out of the bar
So we hit the boulevard
Last Friday night
We went streaking in the park
Skinny dipping in the dark
Then had a menage a trois
Last Friday night
Yeah I think we broke the law
Always say we're gonna stop-op
Whoa-oh-oah
but This Friday night
Do it all again
t.g.i.f - X6
You're so hypnotizing
Could you be the devil
Could you be an angel
Your touch magnetizing
Feels like I am floating
Leaves my body glowing
They say be afraid
You're not like the others
Futuristic lover
Different DNA
They don't understand you
You're from a whole other world
A different dimension
You open my eyes
And I'm ready to go
Lead me into the light
Kiss me, ki-ki-kiss me
Infect me with your love and
Fill me with your poison
Take me, ta-ta-take me
Wanna be your victim
Ready for abduction
Boy, you're an alien
Your touch are foreign
It's supernatural
Extraterrestrial
Do you ever feel like a plastic bag,
drifting through the wind
wanting to start again?
Do you ever feel, feel so paper thin
like a house of cards,
one blow from caving in?

Do you ever feel already buried deep?
6 feet under screams but no one seems to hear a thing
Do you know that there's still a chance for you
'Cause there's a spark in you
You just gotta ignite, the light, and let it shine
Just own the night like the 4th of July
'Cause baby you're a firework
Come on, show 'em what you're worth
Make 'em go "Oh, oh, oh"
As you shoot across the sky-y-y
Boom, boom, boom
Even brighter than the moon, moon, moon
Boom, boom, boom
Even brighter than the moon, moon, moon
