## The Goo Goo Dolls

And even though the moment passed me by  
I still can't turn away  
Cuz all the dreams you never thought you'd lose  
Got tossed along the way  
And letters that you never meant to send  
Got lost or thrown away

And now we're grown up orphans  
And never knew their names  
We don't belong to no one  
That's a shame  
But you could hide beside me  
Maybe for a while  
And I won't tell no one your name  
And I won't tell 'em your name

And scars are souvenirs you never lose  
The past is never far  
Did you lose yourself somewhere out there?  
Did you get to be a star?  
And don't it make you sad to know that life  
Is more than who we are

We grew up way too fast  
And now there's nothing to believe  
And reruns all become our history  
A tired song keeps playing on a tired radio  
And I won't tell no one your name  
And I won't tell 'em your name  
I won't tell em' your name  
Oooh, oooh, oooh  
I won't tell em' your name  
Ow!

I think about you all the time  
But I don't need the same  
It's lonely where you are  
Come back down  
And I won't tell 'em your name
