

The One I Love

Bush

This one goes out to the one I love
This one goes out to the one I've left behind
A simple prop to occupy my time
This one goes out to the one I love
This one goes out to the one I love
This one goes out to the one I've left behind
Another prop has occupied my time
This one goes out to the one I love
So far away
So far away
We're so far away from home
And I feel fine
Far away
So far away
We're so far away from home
And we feel fine
