

# I Wanna do Something Freaky to You

Leon Haywood

I want'a do something freaky to you  
Baby  
Oh, baby  
I want'a  
Right now  
Oh, baby Your love is like a mountain  
I'd love to slide down into your canyons  
(Slide down)  
In the valley of love  
(In the valley of love)  
I won't rest  
(I won't rest)  
Until I bring joy and happiness  
(Ah) I want'a do something freaky to you  
Baby  
(Something freakish to me)  
Oh, baby  
Oh  
I want'a  
(Something freakish to me)  
Baby All twelve positions of the Zodiac signs  
I won't quit until I blow your mind  
(Blow my mind)  
Compatible am I  
(Compatible am I)  
I'll hit the spot  
(Hit the spot) In the name of love  
Ooh, everything I've got  
Ooh Ooh Ooh [Sounds of ecstasy]  
Ow! I want'a do something freaky to you  
Baby  
(Freakish to me)  
Oh, baby I don't want'a stop your image of me  
But my style of love is totally free  
(Free)  
I'll put it where you want it  
(Put it where you want it)  
As long as you need it  
(As long as you need it)

I'll make it good  
Mm  
And I won't mistreat it  
(Ah)I want'a do something freaky to you  
Baby  
(Something freakish to me)  
Oh, baby  
Oh  
I want'a do something freakish to you right now  
(Something freakish to me)  
Oh, babyGet a little freakish, baby  
Get a little freakish, baby  
(Ah)  
Get a little freakish, baby  
Get a little freakish, baby  
(Oh)All prepositions of the Zodiac signs  
I won't quit, no  
(Freakish to me)  
Until I blow your mind  
I'm compatible as ever  
Ooh  
I'll hit the spot  
Oh, in the name of love  
(Something freakish, baby)  
In the name of love  
In the name of love  
In the name of love  
In the name of love  
Ooh, in the name of love  
(Freakish, baby)[Sounds of ecstasy]  
(Freakish, baby)  
(Freakish, baby)  
(Get a little freakish, baby)  
Oh  
Oh  
Oh  
Get a little freakish, baby
