

1,000 Oceans

[Tori Amos](#)

These tears I've cried
I've cried a thousand oceans
And if it seems
I'm floating in dark and I will swim. Well I can't believe that I would keep
Keep you from flying
And I would cry a thousand more
If that's what it takes to sail you home
Sail you home, sail you home I'm aware what the rules are
But you know that I will run
You know that I will follow you
Over Silbury Hill through the solar field
You know that I will follow you And if I find you, will you
Still remember m-playing at trains
Or does this li-little blue ball just fade away?
Over Silbury Hill through the solar field
You know that I will follow you I'm aware what the rules are
But you know that I will run
You know that I will follow you These tears I've cried
I've cried a thousand oceans
And if it seems
I'm floating in dark and I will swim. Well I can't believe that I wouldn't keep
Keep you from flyin'
So I would cry a thousand more if that's what it takes
To sail you home, sail you home
Sail you home, sail, sail you home
