

What a Little Bit of Love Can Do

Jeff Bridges

I heard that you've been feeling down and blue,
But there ain't nothing really wrong with you,
You just need a little tendin' to
Let me show you what a little bit of love can do!
It's amazing what a little bit of love can do! I've been told someone needs a little help,
Having trouble getting on with someone else
I'm here to tell you everything is gonna be fine!
Yeah I know you're hurtin', cause your heart is breaking!
I think that I can alleviate the situation
Look in my eyes and listen to me baby, put your little hand in mine I know that you've been feeling down and
blue,
But there ain't nothing really wrong with you!
You just need a little tendin' to Let me show you what a little bit of love can do! Take your time, listen to all that
I'm saying,
I've got a hunch that loving you is worth the waiting
I'm gonna prove it to you before this night is through
There's a way, to turn the pain right into pleasure,
Drastic times, seem to call for drastic measures,
You need to know, girl I can fix you if the remedy is tried and true. I know that you've been feeling down and
blue,
But there ain't nothing really wrong with you
You just need a little tendin' to
Let me show you what a little bit of love can do! I know that you've been feeling down and blue,
But there ain't nothing really wrong with you
You just need a little tendin' to
Let me show you what a little bit of love can do! I know that you've been feeling down and blue,
But there ain't nothing really wrong with you
You just need a little tendin' to
Let me show you what a little bit of love can do! It's amazing what a little bit of love can do,
Let me show you what a little bit of love can do!
