So Many Reasons

Intro

So many lonely nights I've stayed without you
Wishin' you were here, hey
All the tears I cried
How I love you, need you soHey, I need you, hey, hey
So many reasons, reasonsCan't seem to sleep at night
Can't get you out of my mind
I'm lovesick, baby, for youSo many reasons why
I need you by my side
Your loving is real
I need something I can feelSo many reasons why
You and I can share a love divine
Just to have you is to love you all the time
So many reasonsHere I am, don't you turn away
'Cause I know that I can love you more, oh babyI'm lost without your love
And I don't know what to do
Come over to me now
You see that I need you, youSo many reasons why
You and I can share a love divine
Just to have you is to love you all the time
So many reasonsSo many reasons
So many reasons
So many reasonsSo many reasons why
You and I can share a love divine
Just to have you is to love you all the time
So many reasonsI'm lost without your love
I don't know what to do
I need you here with me
