

# You Needed Me

## Eddy Arnold

I cried a tear, you wiped it dry  
I was confused, you cleared my mind  
I sold my soul, you bought it back for me  
And held me up and gave me dignity  
Somehow you needed meYou gave me strength to stand alone again  
To face the world, out on my own again  
You put me high upon a pedestal  
So high that I can almost see eternity  
You needed me, you needed meAnd I can't believe it's you, I can't believe it's true  
I needed you and you were there  
And I'll never leave, why should I leave? I'd be a fool  
'Cause I've finally found someone who really caresYou held my hand when it was cold  
When I was lost, you took me home  
You gave me hope when I was at the end  
And turned my lies back into truth again  
You even called me friendYou gave me strength to stand alone again  
To face the world out on my own again  
You put me high upon a pedestal  
So high that I can almost see eternity  
You needed me, you needed meYou needed me, you needed me  
You needed me, you needed me
