

Plastic Bag

Nick Cope

Theres a plastic bag floating in the ocean,

C E D

floating in the ocean and what are we to do?

G C E D G

Theres a plastic bag floating in the ocean, floating in the ocean blue

G C

And if the plastic bag starts breaking into pieces,

C E D

Breaking into pieces then what are we to do?

G C

And if the plastic bag starts breaking into pieces,

E D G

into pieces in the ocean blue

G C

And if the little pieces are eaten by the fish,

C E D

Eaten by the fish, what are we to do?

G C

And if the little pieces are eaten by the fish,

E D G

The fish swimming in the ocean blue

G C

And if the fisherman fish the fish swimming in the ocean

C E D

Swimming in the ocean, what are we to do?

G C

And if the fisherman fish the fish swimming in the ocean

E D G

Swimming in the ocean blue

G C

And if we eat the fish the fisherman fished from the ocean

C E D

Fished from the ocean, what are we do to?
G C
And if we eat the fish the fisherman fished from the ocean
E D G
Fished from the ocean blue

G C
We'll have a plastic bag floating inside us,
C E D
Floating inside us then what we gonna do?
G C
We'll have a plastic bag floating inside us,
E D G
Inside of me and you

C G
Oh what are we to do?
Am D
Oh what are we to do?

G C
We need to stop those bag floating in the ocean
C E D
Floating in the ocean thats what we need to do
G C
We need to stop those bags floating in the ocean
E D G
Floating in the ocean blue

G C
We need to stop those bag floating in the ocean
C E D
Floating in the ocean thats what we need to do
G C
We need to stop those bags floating in the ocean
E D G
Floating in the ocean blue

E D G
Floating in the ocean blue
E D G
Floating in the ocean blue
E D G
Floating in the ocean blue
