## **Song Will**

## Someone Still Loves You Boris Yeltsin

Met at a party
Got out of there quickly
I want you in my band
Can I be in your band
Tune yer guitar
Let's drive your blue car
Talk on your front porch
Dream in your attic You gave me your friends
This road never ends

This road never ends
Let's drive to the ocean
Let's drive to the ocean
Back for the summer
You roll a number
