

Roni

New Edition

The truth about a Roni, she's a sweet little girl
You can treat her right, real nice, and hold her tight
Only tender Ronies can give a special love
A special kind of love that makes you feel good inside
If you believe in love and all that it can do for you
Give it a chance, girl, you'll find romance
And if you find a tender Roni that is right for you
Make it official, give her your love
My heart belongs to tender Roni
She's my only love, she's my only love
My only heart, baby, my heart belongs to tender Roni
She's my only love, she's my only love
The truth about a Roni, she's always on the phone
Talking to her homeboy, wishing they were home alone
She sends you lovely letters with the smell of sweet perfume
This is what a real tender Roni likes to do for you
And if you believe in love and all that it can do for you
Give it a chance, girl, you'll find romance
And if you find a tender Roni that is right for you
Make it official, give her your love, oh yeah
My heart belongs to tender Roni
She's my only love, she's my only love
My only heart, my heart belongs to tender Roni
She's my only love, she's my only love
The truth about a Roni, she's a sweet old girl
About the sweetest little girl in the whole wide world
She'd make the toughest homeboy fall deep in love
Said once you've had a Roni, you would never give her up
She's a special kind of girl that makes her daddy feel
proud
You know, the kind of girl that stands out in crowds
Found a tender Roni and the Roni is so right
I think I'm gonna love her for the rest of my life
And if you believe in love and all that it can do for you
And if you find a tender Roni that is right for you
Make it official, give her your love, oh yeah
My heart belongs to tender Roni
She's my only lover, she's my only love
My only heart, my heart belongs to tender Roni
She's my only love, she's my only love
The truth about a Roni, she's a sweet old girl
About the sweetest little girl in the whole wide world
She'd make the toughest homeboy fall deep in love
