

# Just Go

Mitchel Musso

You seem like there's something on your mind  
But you won't say what's up with you today  
And there it goes every time that stupid little chime  
On your stupid little phone, it's like I never get you alone  
So go, you're making me feel  
You wanna be there and I kinda don't care  
Go, so long, get gone  
I know you won't be gone long  
Go, if you wanna stay  
And make up, make out  
I'm gonna play but if you don't  
Baby, just go, whoa, whoa, baby, just go, whoa, whoa  
You seem like you don't know what I'm talkin' bout  
But you, you do what you want to  
If you're gonna stay the same  
And nothings ever gonna change  
Then go, you're making me feel  
You wanna be there and I kinda don't care  
Go, so long, get gone  
I know you won't be gone long

Go and if you wanna stay  
And make up, make out  
I'm gonna play but if you don't  
Baby, just go, whoa, whoa, baby, just go, whoa, whoa  
Go, go on and do what you wanna do  
'Cause you're gonna do it anyways  
Go, on and do what you gotta do  
Don't come back to me, girl  
Go, you're making me feel  
You wanna be there and I kinda don't care  
Go, so long, get gone  
I know you won't be gone long  
Go and if you wanna stay  
And make up, make out  
I'm gonna play but if you don't  
Baby, just go, whoa, whoa, baby, just go, whoa, whoa  
Go and if you wanna stay  
And make up, make out

I'm gonna play but if you don't  
Baby, just go
