

Can't Help Falling in Love

Bob Dylan

Wise men say, only fools rush in
But I can't help falling in love with you
Shall I stay, will it be a sin
If I can't help falling in love with you? Like a river flows surely to the sea
Darling, so it goes, some things were meant to be
Take my hand, take-a my whole life too
For I can't help falling in love with you Like a river flows surely to the sea
Darling, so it goes, some things were meant to be
Take my hand, take-a my whole life too
For I can't help falling in love with you
