

# Dopo la condanna (From "The Big Gundown")

Ennio Morricone

It's good to be near you, even though I'm alone  
Reviving memories of our happy home  
No sign of sunlight since you ran away  
These rooms get darker now every dayEven though I have broken  
Even though I have broken your heart  
Will you still love me?  
Will you still love me?The consequences of freedom  
But now you have what you dreamed  
Just understand that things are not as they seemEven though I have broken  
Even though I have broken your heart  
Will you still love me?  
Will you still love me?I don't wanna be lonely  
Because you're not there for me to be  
I don't wanna be lonely  
I wanna be lovedEven though I have broken  
Even though I have broken your heart  
Will you still love me?  
Will you still love me?
