

# Heels Over Head

## Boys Like Girls

I got your runaway smile in my piggy bank, baby  
Gonna cash it right in for a new Mercedes  
You were worth the hundred thousand miles  
But you couldn't stay awhile  
I got your little brown shirt in my bottom drawer, baby  
And your little white socks in the top drawer  
You were always leaving your shit around  
And gone without a sound  
Yeah, I'm the first to fall and the last to know  
Where'd you go?  
Now I'm heels over head, I'm hangin' upside down  
Thinkin' how you left me for dead, California bound  
I got a first class ticket to a night all alone  
And a front row seat, up, right by the phone  
'Cause you're always on my mind  
And I'm running out of time  
I've got your hair on my pillow and your smell in my sheets  
And it makes me think about you with the sand in your feet  
Is it all you thought it'd be?  
You mean everything to me  
But I'm the first to fall and the last to know  
Where'd you go?  
Now I'm heels over head, I'm hangin' upsidedown  
Thinkin' how you left me for dead, California bound  
And when you hit the coast, I hope you think of me  
And how I'm stuck here with the ghost of what we used to be  
You're burnin' bridges, baby  
Burnin' bridges, makin' wishes  
Yeah, you're burnin' bridges, baby  
Burnin' bridges, makin' wishes  
You're burnin' bridges, baby  
Burnin' bridges, makin' wishes  
Yeah, you're burnin' bridges, baby  
Burnin' bridges, makin' wishes  
You're a chance taker, heart breaker  
Got me wrapped around your finger  
Chance taker, heart breaker  
Got me wrapped around your finger  
I got your runaway smile in my piggy bank, baby

Gonna cash it right in for a new Mercedes  
If I drive a hundred thousand miles  
Would you let me stay a while?  
Now I'm heels over head, I'm hangin' upside down  
Thinkin' how you left me for dead, California bound  
And when you hit the coast, I hope you think of me  
And how I'm stuck here with the ghost of what we used to be  
Now I'm heels over head, I'm hangin' upside down  
Thinkin' how you left me for dead, California bound  
And when you hit the coast, maybe you'll finally see  
And then you'll turn it all around and you'll come back to me
