Bandman

Bandgang Javar

Send niggas work like online college, Got a nigga college fund in my left pocket, Not that public school shit I'm talking all scholars Looked up to Meech I ain't wanna be a heart doctor
Lost my bitch she caught me cheating for the last time, Yeah I hit her like a pimp when hoes out of line, What you expect from a dog treat these hoes foul, Heart cold need a Moncler at all times
Fresh as hell like a nigga on picture day, Was stepping on the Bally's tryna get a pic with Paid, No shoe doctor they get scuffed they getting threw away, Pieces hitting got abusive in the store today
Yk idc about no feelings, 100 band man idc about yo nigga, 200 on the dash idc about no ticket, Real niggas fuck with me what that make you if you don't feel it
