Over You

Jordan Johnson

Verse One
I never would have thought
You'd make me feel this way, oh no
But I've been wrong a lot
And so I'm taking it day by dayPre Chorus
And the days have gotten shorter
And I'm able to sleep at night
Never thought that I'd get over
But now I think I might, causeChorus
Now I'm over you
And it's time that
I started brand new
I've never felt so good
I never thought I could
But now I'm over youVerse Two
I never expected
You to treat me like you did, oh no
But that's being corrected
And that's why I've got to let you knowPre Chorus
The days have gotten shorter
And I'm able to sleep at night
Never thought that I'd get over
But now I think I might, causeChorus
Now I'm over you
And it's time that
I started brand new
I've never felt so good
I never thought I could
But now I'm over youChorus
Now I'm over you
And it's time that
I started brand new
I've never felt so good
I never thought I could
But now I'm over youBridge
I know that someday
You'll come running back to me, oh no
But I'll be over you
That's all I've got to sayChorus

Now I'm over you
And it's time that
I started brand new
I've never felt so good
I never thought I could
But now I'm over youChorus
Now I'm over you
And it's time that
I started brand new
I've never felt so good
I never thought I could
But now I'm over youChorus
Now I'm over you
And it's time that
I started brand new
I've never felt so good
I never thought I could
But now I'm over you
