Step Into the Water

The Cathedrals

Step into the water, wade out a little bit deeper
Wet your feet in the water of His love
Step into the water wade out a little bit deeper
Come join angels singin' praises to the Lamb of God

It's time we the people stand up for what is right
It's time we square our shoulders back and raise our swords to fight
For the bible is my weapon and the Spirit is my shield
The church needs more of its members to be workers in the field

There is victory for the Christian who walks the narrow way
There has been a prize appointed for the soul who does not stray
Oh, I want to live for Jesus and be all that I should be
So that I can rest with Him forever and live eternally

Come join angels singin', hear those glad bells ringin'
Come join angels singin' praises to the Lamb of God
