Uh Oh

Joy Enriquez

Uh oh, I'm falling in love in again
Uh oh, I swore it off and then
Somehow you came and made me believe
I broke a promise when, oh no, uh-oh I let you in
And now I'm falling, I'm falling in love againThere are some things you cannot see
Like a little bit of chemistry
You know it's there, you don't know where
But baby boy, you know it's rareAnd every time you're feeling me
There's an electricity
I can't describe this natural high
I just feel it deep insideI didn't wanna go there
I didn't wanna go where
I'd been before
Now I feel moreUh oh, I'm falling in love in again
Uh oh, I swore it off and then
Somehow you came and made me believe
I broke a promise when, oh no, uh-oh I let you in
And now I'm falling, I'm falling in love againI'm falling
I'm falling
In love again
In love againEven a blind man can see
Whenever you're standing next to me
It's not the first time I've been touched
But I never ever felt so muchI hope I'm not making no mistake
I had no choice there is no way
To turn back now, to turn away
Uh-oh, it's too lateI didn't wanna go there
I didn't wanna go where
I'd been before
Now, I feel moreUh oh, I'm falling in love in again
Uh oh, I swore it off and then
Somehow you came and made me believe
I broke a promise when, oh no, uh-oh I let you in
And now I'm falling, I'm falling in love againUh oh, I'm losing control
What used to be no, no
Is now yes
I confessI'm falling, I'm falling in love in again
I let you in, dont let it in, I'm falling
I swore it off and then I let you in

Dont let it inUh oh, I'm falling in love in again
Uh oh, I swore it off and then
Somehow you came and made me believe
I broke a promise when, oh no, uh-oh I let you in
And now I'm falling, I'm falling in love againI'm falling for you, ooh yeah, falling for you
I'm falling for you, ooh yeah, falling for you
I'm falling for you, ooh yeah, falling for you
I'm falling for you, ooh yeah, falling for you
Ooh yeah, I'm fallingUh oh, I'm falling in love in again
Uh oh, I swore it off and then
Somehow you came and made me believe
I broke a promise when, oh no, uh-oh I let you in
And now I'm falling, I'm falling in love again
