

Just Like Heaven

The Watson Twins

Show me how you do that trick?
The one that makes me scream, she said
The one that makes me laugh, she said
Threw her arms around my neck Show me how you do it?
And I promise you
I promise that I'll run away with you
I'll run away with you Spinning on that dizzy edge
I kissed her face, I kissed her head
Dreamed of all the different ways
I had to make her glow Why are you so far away? She said
Why won't you ever say
That I'm in love with you?
Yeah, I'm in love with you You soft and only, you lost and lonely
You strange as angels
Dancing in the deepest oceans
Twisting in the water, you're just like a dream Daylight licked me into shape
I must have been asleep for days
I moved my lips to breathe her name
I opened up my eyes Found myself alone, alone
Alone above a raging sea
That stole the only girl I loved
And drowned her deep inside of me You soft and only, you lost and lonely
You just like heaven
