Who Do You Love

Ian hunter

Driving off in the rain and snow
Oh, the jets ain't jumping 'cause the cloud's too lowI wanna know, I wanna know, I wanna know
The ice on the window the highway the sea
Who do you love is it him or is it me?
Hey hey, I wanna knowI called Detroit city on the telephone
The man on the line tell me you ain't homeI wanna know, who's that voice
What's [Incomprehensible]
There's a deep red glow in the early morning sky
Who do you love better make up your mind?Don't wanna buy love, don't wanna try love
I just want your love babe, yeah alrightWell it's five in the morning and the place is dead
I'm gonna rest my body on a empty bedI gotta know what's his name baby?
What's your game?
Make up your mind, are you his or your mine?
When you get back I ask you one more time
Hey hey, hey hey
