Never My Love

Rita Wilson

You ask me if there'll come a time
When I grow tired of you
Never my love, never my love
You wonder if this heart of mine
Will lose its desire for you
Never my love, never my loveWhat makes you think love will end
When you know that my whole life depends
On youNever my love, never my loveYou say you fear I'll change my mind
I won't require you
Never my love, never my loveHow can you think love will end
When I've asked you to spend your whole life
With meNever my love, never my loveNever my love, never my love
