## I Could Not Ask for More

## **Edwin McCain**

Lying here with you Listening to the rain

Smiling just to see the smile upon your face

These are the moments I thank God that I'm alive

These are the moments I'll remember all my life

I found all I've waited for

And I could not ask for more

Looking in your eyes

Seeing all I need

Everything you are is everything to me

These are the moments

I know heaven must exist

These are the moments I know all I need is this

I have all I've waited for

And I could not ask for moreI could not ask for more than this time together

I could not ask for more than this time with you

Every prayer has been answered

Every dream I have's come true

And right here in this moment is right where I'm meant to be

Here with you here with meThese are the moments I thank God that I'm alive

These are the moments I'll remember all my life

I've got all I've waited for

And I could not ask for moreI could not ask for more than this time together

I could not ask for more than this time with you

Every prayer has been answered

Every dream I have's come true

And right here in this moment is right where I'm meant to be

Here with you here with meI could not ask for more than the love you give me 'Cause it's all I've waited for

And I could not ask for more

I could not ask for more
