

# Best Of Me

## The Starting Line

Tell me what you thought about when you were gone and so alone.

The worst is over.

You can have the best of me.

We got older but we're still young.

We never grew out of this feeling that we won't give up.

Here we lay again.

On 2 separate bedes.

Sporting 4 posts.

We here a familiar voice,

From pictures drawn from

Memory.

We reflect on

Miscommunications and misunderstandings.

And missing each other too.

Must do without to let go.

Turn our music down

And we whisper

Say what you're thinking right now

Tell me what you thought about when you were gone and so alone.

The worst is over.

You can have the best of me.

We got older but we're still young.

We never grew out of this feeling that we won't give up.

Jumping to conclusions

Made me fall away from you.

I'm so glad that the truth,

Has brought that together

Me and you

We're sitting on the ground, (Sitting on the ground)

And we whisper (and we whisper)

Say what you're thinking out loud

Tell me what you thought when you were gone and so alone.

The worst is over.

You can have the best of me.

We got older but we're still young.

We never grew out of the feeling that we won't give up.

Turn our music down.  
And we whisper.  
We're sitting on the ground.  
And we whisper.  
We turn our music down.  
We're sitting on the ground.  
The next time I'm in town  
We will kiss girl.  
We will kiss girl

Tell me what you thought about when you were gone and so alone.

The worst is over.  
You can have the best of me.  
We got older but we're still young.  
We never grew out of this feeling that we won't.  
Feeling that we can't.  
We're not ready to give up.

We got older but we're still young.  
We never grew out of this feeling that we won't give up.
