

Darkside Of The Sun

Tokio Hotel

Hello!

Hello!

On the TV, in your face, and radio-oh.

It's alright, it's alright.

They say no-oh.

You are frantic, don't you panic, let it go-oh.

We are, we are, we are

In the cities, on the streets, around the globe.

They turn everything you love into verbot
From the cradle, to the great part of the show.

We are, we are, we are

Radio hysteria.

[Chorus]

Hello!

The end is near!

Hello!

We're still standing here!

The future's just begun, on the dark side of the sun

Hello!

Hello!

All the weapons in your hand are in control.
But their way to stay a-chasin' now is so cool.
Time is runnin', but your future's long ago- oh.

We are, we are, we are

Radio hysteria.

[Chorus]

Will you stand the pain
When I'm by your side?

Will you follow me
Into the night?
They're not gonna get us,
We'll be alright.
And one day
The dark side will shine

For us!
For us!

[Chorus]
