

Caught a Lite Sneeze

Voltaire

Caught a lite sneeze
Caught a lite breeze
Caught a lightweight lightning seed
Boys on my left side
Boys on my right side
Boys in the middle and you're not here
I need a big loan from the girl zone
Building tumbling down
Didn't know our love was so small
Couldn't stand at all
Mister St. John just bring your son.
The spire is hot and my cells cant feed
You still got that belle dragging my foots yes
You're hiding it well Sister Ernestine
You still got that belle dragging my foots yes
Building tumbling down
Didn't know our love was so small
Couldn't stand at all
Mister St. John just bring your son.
Right on time it gets closer and closer
Use that fame
Call my name there's no way in
I rent your wife and kids today
Maybe she will
Maybe she will
Caught a lite sneeze
Dreamed a little dream
Made my own pretty hate machine
Boys on my left side
Boys on my right side
Boys in the middle and you're not here
Boys in their dresses and you're not here
I need a big loan from the girl zone
I need a big, big loan from the girl zone
Building tumbling down
Didn't know our love was so small
Mister St. John just bring your son
now
Couldn't stand at all
