Forest For the Trees

The Apache Relay

I am walking through the forest and I can't see the trees
I searched for every blessing, the valley's all I see
The valley's blinded me
Please tell me who I was and how I used to be
All the joy that I've once had, bring it back to me
Bring it back to me()
Please tell me I will fight
Please tell me I will fight
The forest for the trees()
But fears, they all surround in my blood, they love to taste
Lend me your branch of olives, all I want is peace
All I want is peace
All I want is peace
()
Please tell me I will fight
Please tell me I am fine
Please tell me I will fight
Please tell me I will find
The forest for the trees
Ooooh, oh, ooooh, oh
