Until The Next Life

Mansun

Oh, don't throw me away
Am I weak for saying that I needed you?
'Cause we were always acting out some drama
I had to fill this inbetween with something
Until the next life
Don't throw it all away
Now I wish that I could go and do it all again
Until the next life
Don't throw it all away
Now I wish that I could go and do it all again
Time, time does not change
Time has never dealt an easy hand to you
Your grave is dug before they cut the cord on you
Now you're battered, bruised in all your glory
Until the next life
Don't throw it all away
Now I wish that I could go and do it all again
Until the next life
Don't throw it all away
Now I wish that I could go and do it all again
And there's more important things in life than TV
And while all of England's staring at the screen
'Cause there's never been chameleons that change things
So don't regret a single thing you mean
Don't regret a moment, a single thing you'd die for
Don't regret a moment, a single thing you mean
Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na-na-na
Even in your darkest moment (na-na-na-na-na-na-na-na)
I will be here watching (na-na-na-na-na-na)
Over you (naaa), over you (naaa)
Stop! Changing the world
You said you only want to change the nation
Those idiots who love to spark confusion
They don't regret a single thing they mean
Until the next life
Don't throw it all away, yeah
Everybody hurts if you look closely
So come and put your hands up if you're guilty

Until the next life
Don't throw it all away
Now I wish that I could go and do it all again
Until the next life
Don't throw it all away, yeah
