Beer For Breakfast

The Replacements

All I want to do is drink beer for breakfast
All I want to eat is them barbecue chips
All I want is someone to just try and protect us
You can try but never want to try and defect us

I telling you I am through
Mama's baby boy is a bum

All I want to do is stay in this life/ stand in this light/line
All I want to pick is your nose, honey, hi
Sweet little corny you've gotta be husky (??)
I am dreaming of a white Christmas

Honey where I'm from
Mama's baby boy is a bum
Honey where I'm from
Halle-fucking-lujah
I'm a bum

Baby boy's a bum (x3)
All I want to do is drink beer for breakfast.
