

Candy

Lovedrug

Five to three,
Walls of candy,
Sign my name
On the dotted line
Next to yours, You found the ways to move faster
And stay healthy
No contra,
All these words are just a matter of time You're like a snake in the water,
With shiny skin,
A clear conscience ,
Vemons fade in just a matter of time,
In just a matter of time,
A matter of time And too cold for kisses,
Cause I've fallen from heaven,
Your halo is just a punch in my face
You're all the rage,
You're all the fun,
But ever if you cross me
I'll get you,
Sweet revenge is just a matter of time,
It's just a matter of time,
A matter of time
