

Wayne's Pet Youngin'

Ween

Morgan's pain
Succumbs to the frame
In a zany combination
Of Wayne's pet youngin'Astral plane
Conversing lame
In a zany combination
Of Wayne's pet youngin'A stained pane
Drownin' out the rain
In a zany combination
Of Wayne's pet youngin'You name the game
And I'll bring Dwayne
And Roger and Rerun
To Wayne's pet youngin'Rerun's brain
Confetti stain
In a zany combination
Of Wayne's pet youngin'What's your name?
Are you glad you came?
Would you die in the name
Of Wayne's pet youngin'?Yes, I would
