She Knows

J. Cole

She knows, she knows
Oh I, oh I-I-I
Well alright
Oh I, oh I-I-I
Well alrightDamned if I do
Damned if I don't
You know I got a girl back home
You got a man what you want, what you want
What these bitches want from a nigga
On some DMX shit
I know them other niggas love tricking
On some BMX shit
But not me
Now I'm sure you done heard about me
A black star, Mos Def, Kweli
Good southern bad hoes try me, they try me
This is Martin Luther King in the club
Getting dubs, with a bad bitch
In his ear sayin' she down for whatever
In the back of his mind is CorettaShe knows, she knows
And I know she knows, and I know she knows
And deep down she knows, she knows
And I know she knows, and I know she knows
Well alright
Oh I, oh I-I-I
I can't be what you want from me
Well alright
Oh I, oh I-I-I
I can't be what you want from me
Well alrightDamned if I do
Damned if I don't
I'm passing up on bad hoes
Trying to be the man that she want, what she want
What she want from a nigga
To put a ring on it
Got a bitch on my dick right now
And she just want to sing on it
Got me up so high
Trying to get a piece of that apple pie

I be up so high
Trying to get a piece of that apple pie
Dancehall vibes with my pants on fire
'Cause I told her I was sleeping
'Cause I creep with this pretty young thing that I chose
That she could be doing the same thing I supposeShe knows, she knows
And I know she knows, and I know she knows
And deep down she knows, she knows
And I know she knows, and I know she knows
Well alright
Oh I, oh I-I-I
I can't be what you want from me
Well alright
Oh I, oh I-I-I
I can't be what you want from me
Well alrightMy niggas say turn up, hoes say turn up
Only bad thing about a star is they burn up
Niggas say turn up, hoes say turn up
Only bad thing about a star is they burn up
Rest in peace to Aaliyah
Rest in peace to Left Eye
Michael Jackson, I'll see ya
Just as soon as I dieGot me up so high, trying to get a piece of that apple pie
I be up so high, trying to get a piece of that apple pie
Got me up so high, trying to get a piece of that apple pie
I be up so high, trying to get a piece of that apple pieWell alright
Oh I, oh I-I-I
I can't be what you want from me
Well alright
Oh I, oh I-I-I
I can't be what you want from me
Well alright
