T-Shirt Weather

Circa Waves

She left me and said
Baby won't you come to bed
But I can not sleep
While the sun's awakeThe nights been so long
You don't get me right, don't get me wrong
Now my head tells the tales
I hardly knowI remember T-shirt weather
I remember some days
We were singing our lungs out
in the backseat together
And the seatbelts were burning our fingers
In the T-shirt weather
I remember sleeping till the early afternoonDrinks fly like birds
Across the kitchen trouble stirs
And I'm tongue-tied by words
I used to knowSo we talk till we're sick
17 went far too quick
And when my mind plays tricks
I have to goI remember T-shirt weather
I remember some days
We were singing our lungs out
in the backseat together
And the seatbelts were burning our fingers
In the T-shirt weather
I remember sleeping till the early afternoonIt's going to be ok
It's going to be ok
It's going to be ok
It's going to be ok
It's going to be ok
It's going to be okI remember T-shirt weather
I remember some days
We were singing our lungs out
in the backseat together
And the seatbelts were burning our fingers
In the T-shirt weather
(Yeah) In the T-shirt weather
(Yeah) In the T-shirt weather
In the T-shirt weather
