

Is She All You Thought Sheâ€™d Be

Faron Young

Is she all that you thought she would be
The day you took her from me
Does she still meet someone secretly
Is she all you thought she would be. Is she fooling your heart the same way she fooled mine
Do you have a feeling you'll lose her in time
Though her lips were so warm they're untrue
Do you think she'll always love you. Remember she once belonged to me
Is she all you thought she would be. Is she fooling your heart the same way she fooled mine
Do you have a feeling you'll lose her in time
Though her lips were so warm they're untrue
Do you think she'll always love you...
