Chorus for Destruction

[Start Trouble](#)

I set a chorus for destruction
When I chose to give myself away
And I'm afraid to change what I've already started
But I can't find another way
And so I sit in stare out the window
And wonder, 'Will I ever amount to anything?'At least nowhere is somewhere
I just need too muchI'm bored out of mind, there's nothing much to do here
I sit around all day and wish that I was somewhere else
And if I had a purpose I don't know what I'd do with it
I'm so used to thisI feel the pressures of the answers to the questions in my head
I know they'll be there
How do I get back to my state of mind? My appetite for life is gone
Right now I don't careAt least nowhere is somewhere
I just need too muchI'm bored out of mind, there's nothing much to do here
I sit around all day and wish that I was somewhere else
And if I had a purpose I don't know what I'd do with it
I'm so used to thisI'm gonna give it away, gonna give it away, gonna give it away, you say
Gonna give it away, gonna give it away, gonna give it away, you say
Gonna give it away, gonna give it away, gonna give it away, no way
It's okayI set a chorus for destruction
When I chose to give myself away
And I'm afraid to change what I've already started
I can't find another wayAt least nowhere is somewhere
I just need too muchI'm bored out of mind, there's nothing much to do here
I sit around all day and wish that I was somewhere else
And if I had a purpose I don't know what I'd do with it
I'm so used to thisI'm bored out of mind, there's nothing much to do here
I sit around all day and wish that I was somewhere else
And if I had a purpose I don't know what I'd doYeah!
