Talk to Me

Jordan Rakei

You cannot compare yourself to me
We are different
Trapped inside a fake reality
Ego-centratedYou cannot compare yourself to me
We are different
Trapped inside a fake reality
Ego-centratedWaiting for disaster to strike me once I fall
But I'm riding high
Yes I'm riding high
But I'm riding high
Yes I'm riding high
Better than I was before
Better than the usual
Waiting for disaster to strike me once I fall
But I'm riding high
Yes I'm riding high
But I'm riding high
Yes I'm riding high
