

# Born for This

Chase Matthew

I'ma get the house momma always wanted  
And daddy's old car finally back up and running  
My old jeep in the drive will  
Come back to life  
Reminding me of all I wanted  
To some it ain't nothing but to me it's something  
There was a few that didn't even bother  
With this ole boy buried in the holler  
I prayed every day  
I heard Jesus say  
No weapon formed against me shall prosper  
Every turn, every tear and mistake  
Every year that led up to this day  
I heard you say  
Don't lose your faith  
It is what it is  
Son you were born for this  
Mamaw is gonna finally get a brand new kitchen  
M-m-m-m  
Never thought my dream I would end up living  
M-m-m-m  
Daddy always taught me to be a fighter  
The end of the tunnel looks a whole lot brighter  
I remember every voice telling me  
I wasn't good enough  
But I know I'm good enough  
There was a few that didn't even bother  
With this ole boy buried in the holler  
I prayed every day  
I heard Jesus say  
No weapon formed against me shall prosper  
Every turn, every tear, and mistake  
Every year that led up to this day  
I heard you say  
Don't lose your faith  
It is what it is  
Son you were born for this  
So much stood against me  
But I'll never forget my family

Yeah, they cried every night  
It was a hell of a ride  
Yeah You learn so much when you're 18  
I had to learn I wasn't always right  
Stood by my side when my best friend died  
Couldn't see cause I thought I knew everything  
Barely made it though 2017  
There was a few that didn't even bother  
With this ole boy buried in the holler  
I prayed every day  
And I heard Him say  
No weapon formed against me will prosper  
Every turn, every tear, and mistake  
Every year that led up to this day  
I heard you say  
Don't lose your faith  
It is what it is  
Son you were born for this  
You were born for this  
I was born for this
