

After the Gold Rush (Live At the Cellar Door)

Neil Young

Well, I dreamed I saw the knights in armor coming
Sayin' somethin' about a queen
There were children singin' and drummers drummin'
The archer split the tree
There was a fanfare blowin' to the sun
That floated on the breeze
We got mother nature on the run, in the nineteen seventies
Look at mother nature on the run, in the nineteen seventies I was lyin' in a burnt out basement
With the full moon in my eye
I was hopin' for a replacement
When the sun burst through the sky
There was a band playin' in my head
And I felt like getting high
Thinkin' about what a friend had said, I was hopin' it was a lie
Thinkin' about what a friend had said, I was hopin' it was a lie Well, I dreamed I saw the silver spaceships flyin'
In the yellow haze of the sun
There were children cryin' and colors flyin'
All around the chosen ones
All in a dream, all in a dream the loadin' had begun
We were flyin' mother nature's silver seed to a new home in the sun
Flyin' mother nature's silver seed to a new home
