

Sway (Hypno-Submissive Mix)

Coal Chamber

The roof the roof the roof is on fire
We don't need no water let the motherfucker burn
Burn motherfucker burnBurn burn burn burnJust a little and nothing now it's over
Just a little and nothing now it's over
What you said no
You're never gonna say again
In your own special way you tear me downSway so hypnoticNeither up nor down
Just been turned and turned
It just sits inside so it burns and burns
If I can't decide what makes you hurtIn your own special way you tear me downSo ask me please, pleaseGive
me something good, now
Something
Give me something good, now
Give meCome sway this way
