A Beautiful End

J.R. Richards

Fate - we say goodbye on this day
upon this field angel lay
the sunlight fills from your grace -
and so much love gives this place the feel of warmth inside
I hear the words of your life
an angel gone... moved onits a beautiful end to a beautiful life
a beautiful night to a beautiful day
its a beautiful end to a beautiful life
A beautiful soul gone this day
the flame - a candle burns in your stead
roses line white and red
you rose up high above us when
we felt a strength pass through us then
your body failed your bones
but not the love of your soul
your love goes on and onits a beautiful end to a beautiful life
a beautiful night to a beautiful day
its a beautiful end to a beautiful life
a beautiful soul gone this day
surrender, rest here angel rest
make us strong, calm all the oceansit was a beautiful end to a beautiful life
November said goodbye
rest angel rest
