

Why Not Smile (Oxford American Version)

R.E.M.

The concrete broke your fall
To hear you speak of it
I'd have done anything
I would do anything
I feel like a cartoon brick wall
To hear you speak of it
You've been so sad
It makes me worry
Why not smile?
You've been sad for a while.
Why not smile?
I would do anything
To hear you speak of it.
Why not smile?
You've been sad for a while.
You've been sad for a while.
