

Pallid Eyes

Emily Jane White

And when the ice turns gray,
Oh and I've become
You call me up in your words you say,
Oh I have begunAnd when the sheets are frayed,
And when you walk alone
Your rolling eyes in your head you say
Oh oh oh ohAnd you can't wait til may,
Cause winter's just begun
Your eyes roll back in your head you say
What have I become?
Oh, what have I become?
And when the ice turns gray
And the clarity is gone
Your eyes roll back in your head you see
What have I become?
You're so sweet, you cheat, so sweet
And when the ice turns gray
And the clarity is gone
Your eyes roll back in your head you see
What have I become
Oh what have I become?
You're so sweet, you cheat, so sweet
