Bromance

Chester See & Ryan Higa

Bromance
Bro-o-o-mance
Its like Eminem and Dr. Dre
If I loved you more I might be in gay
And when I'm feeling down
You know just what to say
You my homie, Yeah you know me
And if you ever need a wingman
I'd let any girl blow me off
Cuz your more important than the rest
I confess, I'm a mess
If I'm not hanging with my BFF
You know its true, you my male boo, (My Boo)
Now sing the chorus with me if your feeling the same way too.Broooomance, nothing really gay about it
Not, that there's anything wrong with being gay Whoo Whoo
Broo Ma-Mance , Shouldn't be ashamed or hide it
I love you in the most heterosexual way.Verse 2
Hold me
To a promise that Ill be the kind of the friend that in the end
Will always keep you company
Because when the world gets tough
And times get hard
I will always love you, Ill be your bodyguard
Cuz your my bestie, and if you test me
Ill prove it time and time again, I got your back until the end
A brotha from anotha motha never knew how much I loved ya
Till i started singing this song, huh?Broooomance, nothing really gay about it Bro-o-o- mance
Not, that there's anything wrong with being gay Whoo Whoo
Broo Mann Mance , Shouldn't be ashamed or hide it
I love you in the most heterosexual way.Bridge
And now that I told you how I feel
Hope you feel the same way too
BUT if you don't, this song was just a joke, ha-ah-ah
BUT if you do, I LOVE YOU
Bromance, nothing really gay about it Bro-o Ma- Mance
Not, that theres anything wrong with being gay Whoo Whoo
Broo Mann Mance , Shouldnt be ashamed or hide it
I love you in the most heterosexual way.
(I love you bro)
