Still in the trap house kitchen

Fuck around, slap the shit out of all these niggas!

My nigga thug rich broke doing all that whipping
And I got a .44, I ain't gotta call no killer (No, nigga!)
More money, more problems

If it's off my hip I'mma pull that motherfucker back just like a sling shot
And you ain't hold your homie down like you suppose to
'Cause he ain't never been heard of a green dot

He ain't bout rappers trying to beat his way
