

Good Love Is on the Way

John Mayer Trio

I'm a lazy lover
Undercover, wasting time
Then one day in summer
I changed my number
To cut my line Good love is on the way
I'll be lonely but I know I'll be okay
Good love is on the way Three years broken hearted
Now her ghost is finally gone
Done with broken people
This is me I'm working on 'Cause I know.. Good love is on the way
I'll be lonely but I know I'll be okay
Good love is on the way Good to go for wherever I'm needed
Bags are packed and I'm down by the door
You can take all the tricks up my sleeve,
I don't need them anymore Good love is on the way
Good love is on the way
I'll be lonely but I know I'll be okay
Good love is on the way
