

# Revolution

## Brand X Music

Tonight, there's a revolution  
Tonight, we're going to war  
We're going to war  
We're going tonight  
You better make a decision  
Tonight, we're going to war  
We're going to war  
I'm not a patriot  
I'm not illegal  
I'm not a fugitive  
I'm an American  
I'm an American  
I think you need some education  
I think you need some thought control  
Tonight, there is a situation  
Tonight, it's the end of the world  
It's the end of the world  
It's the end of tonight  
We'll take control of the nation  
Tonight, we take control of the world  
We take control of the world  
I'm not a patriot  
I'm not illegal  
I'm not a fugitive  
I'm an American  
I'm an American  
Come, let's crush these weak defenses  
Let's all lose our self control  
We will fight the false pretenses  
And break the arm that has a hold  
Come, let's crush the opposition  
And let us not do what we're told  
We can kill the competition  
And brake the face off of the mold  
I'm not a patriot  
I'm not illegal  
I'm not a fugitive  
I'm an American  
I'm an American

I think you need some education  
I think you need some thought control
