Gemini

Death from Above 1979

My girl is a Gemini
She gets things done
Sometimes she's mean
But she can be a lot of funShe cries on her birthday
No it's not the first time
Yeah, she cries on her birthday
No it's not the first timeHer blood stained walls
Stepped on and forgotten
Cut from the film
Cut from her wristsTwenty-four seven
Still believes in heaven
Raspberry lips
Never been kissedShe's over there sleepin'
She's warm when I sneak in
I sleep with the sunshine
She gets up before 9She cries on her birthday
No it's not the first time
Yeah, she cries on her birthday
No it's not the first timeHer blood stained walls
Stepped on and forgotten
Cut from the film
Cut from her wristsTwenty-four seven
Still believes in heaven
Raspberry lips
Never been kissedHer blood stained walls
Stepped on and forgotten
Cut from the film
Cut from her wristsTwenty-four seven
Still believes in heaven
Raspberry lips
Never been kissedRaspberry lips
Never been kissed
