# Do You Remember

## Jill Scott

Ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh, oohOh honey
Why you got to be so mean?
don't you
(Don?t you remember me?)
Oh baby, baby
You and me, you and me, you and me
We build sandcastles in the Serengeti
(Don?t you remember me)
You splashed my face with Nile water
Daughter of Diaspora
You named me, claimed meDo you remember me?
(Do you remember me?)
Do you remember me?
(Oh)
Do you remember me?
(Me)
Do you remember me?Remember playing pinball right on 23rd street
(K-I-N-G)
I was there, I remember
When you got your first pair of sneaks
(Oh the are phat!)
Mmm Converse I think(Do you)
I remember you swore you were so big and bad
You walked around like your mmm didn't stink
(You can't beat everybody)
But I was there always been there
I remember that it did, ooh it didI remember you lovin' me
It was so beautiful
(Magical, wonderful)
I remember loving you
So good, so good, so good1 - Do you remember me?
(Repeat 1 till end in background)
I mean, for real
don't you remember those days
Way back when we spoke K Swahili
It was you and me
See, remember playing hide and go freak
I was that one you were born to seek

And I'm still hereGetting down, getting down
Getting down, getting down
Getting down, getting down, for youGetting down, getting down
Getting down, getting down
Getting down, getting down, for youYeah
