

Heart Full Of Love (Re-Recorded Version)

[Holly Dunn](#)

Got a four-leaf clover and my lucky charms
A piece of the rainbow, too
Got a dream in my arms and I know now
That dreams can come true You're an angel from heaven
Your smile's like the sunshine in a sky of blue
Oh, I, oh, I've got a heart full of love
A heart full of love, got a heart full of love just for you Well, I used to be blue, but now I feel brand-new
Must be something you done
You put a smile on my face
And kissed away my tears You're the light in my eyes
The sun in my skies, even on cloudy days
Oh I, oh, I've got a heart full of love
A heart full of love, got a heart full of love just for you You don't know what you do to me
Somethin' in your laughin' eyes
Is gettin' through to me I've got a heart full of love, a heart full of love
Got a heart full of love just for you
I've got a heart full of love, a heart full of love
A heart full of love just for you
