

Supernaut

Ministry

I want to reach out and touch the sky
I want to touch the sun but I don't want to fly
I'm gonna climb up every mountain on the moon
I've found a distant mountain waving it's phone

Supernaut

Supernaut

I've crossed the oceans, done every land
I found the project at the golden rainbow's end
I've been through magic and through life's reality
I've lived a thousand years, it never bothered me

Bothered me

Supernaut

Bothered me

Supernaut

"and they all sing the same refrain: it's fun to take a trip, put acid in your veins"

Oh, oh, oh, oh

"counting twenty-five seconds...twenty seconds and counting...t-minus fifteen seconds, guidance is internal...twelve...eleven...ten...nine...ignition sequence starts...six...five...four...three...two...one"

Oh

Got no religion, don't need no friends
Got all I want, I've got no need to pretend
Don't try to reach me 'cause I'll tear up your mind
I've seen the future and I'd leave it all behind

Supernaut

Supernaut

Oh, oh, oh, oh

Ooooooooooh
